

Help Ukraine defend western democracy and freedom from the Russian invasion.

We are calling for the global society to fight against Putin's crimes in Ukraine:

1. Urgent military support, including iron dome air defense system and extensive support with lethal defense equipment.
2. International courts to condemn Putin and adopt procedures for trial and sentence of Putin for crimes against humanity.
3. Disclose to the Russian people bank data and intelligence about financial holdings and interests of Russian political and business elites.
4. Block Russia from the SWIFT international banking system.
5. Block Russian airlines, sea cargo and passenger companies. Block access to ports for Russian companies
6. Freeze sales of international companies in Russia,
7. Social networks to ban communication of Russian government.
8. Impose personal sanctions on Russian politicians and oligarchs, former European and US politicians who openly support Putin in the media.
9. Freeze the foreign money accounts of Russia.
9. Bond rating companies, like S&P, reduce the rankings of Russia and Russian business to the level of junk
10. Impose 10 Euros /barrel sanctions on Russian oil.
11. Diversify away from Russian natural gas.
