Step by Step Instructions on Getting to Tijuana US Border Checkpoint to Solicit Humanitarian Parole

- 1. Reserve round-trip ticket and board a plane to Tijuana, Mexico Airport using Biometric International Ukrainian Passport (old Ukrainian passport is insufficient for boarding)**
- 2. Reserve Mexican hotel accommodations for the duration of the round trip ticket stay in Mexico (could be canceled later) to pass through Mexican customs which require temporary stay and housing in Mexico**
- 3. At the airport Ukrainian speaking volunteers with Ukrainian flags will meet you and pick you up, you're your name on the waiting list for the US border and provide free transportation to the US border where you will be waiting for your number to be called (plan on waiting a few hours, potentially sleep overnight at the US border). There is free food and shelter while you wait, including place to sleep at night.**
- 4. Immigration attorneys such as myself will wait for you at the border and will assist you with filling out sponsor forms for US entry, work permit, counsel you on options after humanitarian parole, bringing other family over, ensure the authorities respect your rights, assist in case of legal problems, etc. In addition, as a Consul of Romania I reached out to the Ukrainian embassy in the US to offer my help in providing you with non-documentary consular assistance.**
